Preserve Your Life Legacy

Your life is a gift to you and to others. When you die how will loved ones and future generations remember you?

Life is a legacy meant to be both celebrated

and passed on. Have you preserved the legacy of your life? If not, let me assist you in preserving your story.

Life stories can include reflections on:

- ♦ Childhood memories
- ♦ Education (formal and personal)
- ♦ Military service (wartime, peacetime)
- ♦ Family life/relationship experiences
- ♦ Careers and life callings
- ♦ Hobbies, interests, passions
- ♦ Faith, values and insights.

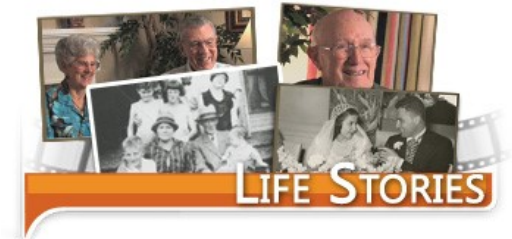

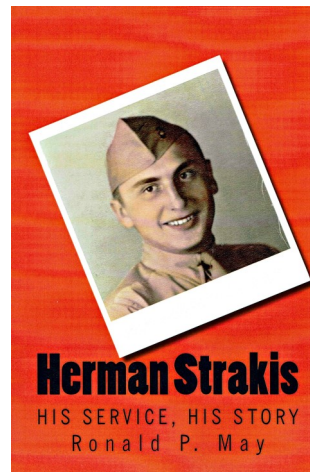

Life Story Books, LLC is a personal life story writing service which assists senior residents and their families in preserving the legacy of their lives so that others may be blessed by their life stories.

Formats for Preserving Life Stories

The legacy of your personal life story can be preserved in different formats:

- Printed Story in a Book Format
- Audio Story in a CD Format
- Visual Story in a Photo Show Format
- Audio/Visual Story in Video Format
